Vision Zero Focus Cities Update

Action Plan:

- CDOT is working with multiple City departments, particularly Police, Public Health, and the Mayor's Office to develop a three-year Vision Zero action plan
- A Cabinet-level Steering Committee has determined overarching goals for the Plan, and staff-level working groups are developing the engineering, enforcement, education, and data strategies to meet those goals.

Vision Zero Network:

- The Chicago Department of Public Health and Healthy Chicago 2.0 were featured in a case study from the Vision Zero Network entitled "[The Central Role of Public Health in Vision Zero](#)."
